

Attention parents, students and former students:

Did you know that Prairie Hill has a subscription to an amazing website that can help you research colleges, explore careers, and plan your future?

This program is called Bridges and it is provided to us through a grant each year. If you would like to check

this site out go to

<http://cx.bridges.com>

Site ID: 0065734

Password: prairie

This is an amazing tool for you and your children to start thinking about their future!
