Employment Termination and Suspensions

Resignation and Retirement

An employee is requested to provide 2 weeks' notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least 2 months before the retirement date.

Non-RIF Dismissal

The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board's goal of having a highly qualified, high performing staff.

Reduction in Force and Recall

This section is applicable whenever the Board decides to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, an educational support employee is removed, dismissed, or his or her hours are reduced.

The Board shall make its decision to remove or dismiss an employee in response to the recommendation of the Superintendent. The recommendation to dismiss or remove an employee will be based on the employees job performance as determined through an annual evaluation. State law does not require districts to use seniority to select the employees whose hours will be reduced..

Except as provided below, written notice will be given the employee by certified mail, return receipt requested, at least 30 days before the employee is removed or dismissed, or his or her hours are reduced, together with a statement of honorable dismissal and the reason therefore if applicable. The prior written notice will be extended to at least 90 days if the lay-off is due to the District entering into a contract with a third party for non-instructional services. The prior written notice will be shortened to at least 5 days before an employee's hours are reduced as a result of an unforeseen reduction in the student population.

State law does not require employees whose hours were reduced to be on a recall list.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the third business day following the last day of employment.

Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.
